One of the most-read interior design news stories of 2024 is the interior of the New Bund 31 Performing Arts Center in Shanghai, China, designed by **Neri&Hu**. The interior of Shanghai, China's New Bund 31 Performing Arts Center brings a "museum-like quality" to the interiors of the building.

Neri&Hu's interior design is inspired by "The Arena," which is a contemporary interpretation of the ancient paradigm. The main theater, lobby concourse, and surrounding circulation corridors are all defined by a series of arches. A strong impression is produced by the five-story atrium area, which displays the full height of stacked levels of arches.
