The Lake Como Edition, Italy

Situated on Lake Como's western shore in Cadenabbia, The Lake Como Edition balances heritage and hip, standing out among the historic landmarks of Italy's most legendary lakeside destination. The Edition's creative directors, Kirstin Bailey and Paul Haslhofer, in collaboration with Neri&Hu and architectural partner De.Tales, transformed a 19th-century palazzo into a modern interpretation of Italian glamour, translating the landscape – lush flora, turquoise water, pink sunsets – into a colour palette complemented by marble-faced archways and terrazzo floors. The lobby lounge is punctuated by a celadon green Sekoya marble bar and a custom Neri + Hu bauble chandelier, while the lakefront pool deck, dotted with striped umbrellas, looks ready to splash across postcards. Walnut furnishings and arched windows add character to the 148 rooms. True to the hotel's forward-thinking ethos, there's a state-of-the-art longevity spa for high-tech biohacking treatments and cryotherapy.
